26 May 2010

Dear Lorraine,

Thank you very much for forwarding us the kind donation of the weeks stay at Horizon Sky, Turkey; this raised £480 at our Auction. We are grateful to people like yourself, for your kind contribution which will help us to make a difference to the lives of children.

Over 36,000 children are registered as needing protection because they are at risk of sexual, physical and emotional abuse or neglect. Your support will help protect these children, and help those who have suffered abuse to recover from it.

The NSPCC and ChildLine rely heavily on the support of the local community to fund vital services, with 85% of the work that we do made possible by voluntary donations. It doesn't matter how large or small a donation is or the amount of time someone can volunteer - it all helps.

If you require any further assistance, or information regarding the NSPCC, please do not hesitate to contact me or a member of our team at the Milton Keynes Appeals Office. Alternatively you could visit our website at www.nspcc.org.uk

The children we work with will never be able to thank you personally for your contributions, so on their behalf please accept the grateful thanks of everyone at the NSPCC.

Yours sincerely,

Jade Connolly
Local Fundraising North London & East of England

Can You HACK It?

Fancy a walk in the stunning Oxfordshire countryside on the edge of the Cotswolds? Take part in the Cotswold Challenge 25 mile [Hike Against Cruelty to Kids](#) (HACK) and you'll get to do just that while making a difference to children.

Sunday 5th September 2010, Cornbury Park, Oxfordshire.
